The charity of the State in providing for him in his misfortune has been requited by the commission of the greatest crime against the law—murder. Robert Ash, the deceased, has been cook at the hospital some time; he was an Englishman by birth, and aged about 56 years. Dr. Deal, the Coroner, summoned R. Manning, L. S. Mason, H. R. Breakey, E. BRILLIANT WEDDING .-- Under the proper heading will be found a notice of the union in marriage of L. S. Scott and Miss | talents. Susan A. Adair. The nuptials were celebrated at the residence of O. P. Sherwood, brother-in-law of the bride. Hon, M. Fuller, District Judge, officiated, and made the twain one. It was a highly festive occasion, wine and edibles having been supplied in boundless quantities and endless variety by the host and hostess, Mr. and Mrs. Sherwood. A few special friends of the parties were pres-ent, and all had a most enjoyable time. In the Zenith of their matrimonial felicity they remembered the printers of the Recomp office, who received a bounteous supply of cake and wine. To our worthy friend Mr. Scott we tender our hearty congratulations upon this auspicious

PERSONAL. - The following notice of a worthy citizen of Pioche we copy from ar On and after this date all Star (*) Notices the Eureka Sentinel of the 12th: Gen. A. L. Page and his accomplished lady stopped over in Eureka last night, en route from Pioche to San Francisco. They came by private conveyance, and will continue their journey to Palisade to-day. The General informs us that his Pioche and Bullionville Narrow-gauge Railroad is in successful operation, and Railroad is in successful operation, and is clearing nearly one thousand dollars per day. The daily shipments of ore over the road amounts to about 160 tons. The passenger travel is also very considerable. General Page will now turn his attention to the Eureka and Palisade Railroad, and it is among the things probable that a good portion of this important work will be constructed the present season. He is the embodiment of energy and perseverance, and anything which he lays hold of is bound to win. If there were more of his kind in Eastern If there were more of his kind in Eastern Nevada, we might reasonably hope that the immense and varied resources of this portion of the State would be spee developed.

MURDER CASES .- Dr. Deal, the Coroner, has had his hands full for several days. The jury summoned to inquire into the cause of the death of John H. quently, it was believed by some of the inmates that Ferguson had a pistol, and the steward searched him, but found no weapon. It appears, however, that Ferguson had a small knife in his coat sleave, and with that did his deadly work. The steward keeps on hand a set of surgical instruments, and Ferguson surreptitiously obtained access to the box of instruments and took therefrom a surgical instrument about two and a half inches in the blade, with a handle about three and a half inches long. MAIN WATER PIPE IN DANGER.-The attention of E. If any break should occur in the pipe the city would be deprived of its principal means of combatting fire.

Hox. D. R. Ashley,-The friends of Mr. Ashley will regret to learn that he has been lying seriously ill at his residence in San Francisco for several months, and is now paralyzed and unable to speak.
